

**A Prayer for Peace
(For Group Use - Call and Response)**

Leader:

In the name of Christ, who is our peace,
we gather as one to pray for a world in need.

All:

Lord, make us instruments of Your peace.

Leader:

We pray for peace across the nations,
for the end of poverty, injustice, and violence.
May all people, especially mothers and children,
know the safety and dignity You intend for them.

All:

Lord, hear our prayer, and grant peace to the world.

Leader:

We pray for the healing of broken communities,
for those torn apart by war and injustice,
for refugees, for the displaced,
and for those living in fear of violence.

All:

Lord, hear our prayer, and restore all things in peace.

Leader:

We pray for leaders around the world,
that they may have the courage to act justly,
to pursue peace with integrity,
and to uphold the dignity of every person.

All:

Lord, hear our prayer, and guide those in authority.

Leader:

We pray for the work of the Mothers' Union,
for all who strive to end poverty, injustice and violence,
that their voices may be heard and their hands strengthened,
to bring about a just and peaceful world for all.

All:

Lord, hear our prayer, and empower us for Your work.

Leader:

We pray for women and children who bear the scars of injustice,
for those caught in cycles of violence and despair.
May Your peace restore their hearts,
and may Your justice roll down like a mighty river.

All:

Lord, hear our prayer, and bring freedom to the oppressed.

Leader:

We pray for our sisters and brothers in every corner of the earth,
that we may stand together as one body,
working for a world where peace reigns,
where all may live with dignity and hope.

All:

Lord, hear our prayer, and unite us in Your love.

Leader:

We pray for the courage to act,
to be peacemakers in our communities,
to be agents of reconciliation,
and to work for the good of all,
especially the most vulnerable.

All:

Lord, hear our prayer, and help us to be Your hands and feet.

Leader:

We trust in Your promise, O God,
that You will bring Your Kingdom of peace,
where justice and mercy meet,
and where all creation lives in harmony.

All:

Amen.
