## Croeso i Gymru!

Welcome to Wales!

We welcome you most warmly to this wonderful part of the Principality – this is probably the furthest west Mothers' Union will go to hold the General Meeting (before finding ourselves in Ireland!) and so we are thrilled that you will all get the chance to appreciate the beauty on our doorstep.

We have two areas of outstanding natural beauty within the Diocese of Swansea and Brecon – the Gower Peninsula in the south and the Brecon Beacons in the north, very different landscapes but both so worthy of a visit.

Swansea of course will be the base for the General Meeting and we know that you will love our warmth and diversity. We hope you will have time to see something of the stunning beaches that surround the Gower, the sweep of Swansea Bay, the history of St. Mary's Church, the beauty of the complex poetry of Dylan Thomas and the taste of cockles, laverbread and Welsh cakes in our vibrant indoor market.

We will do all we can to make your visit a memorable one with a truly Welsh flavour. We will send you on your homeward journey with the lilting voices of Wales ringing in your hearts and souls, as well as your ears!

*"We'll keep a welcome in the hillside; we'll keep a welcome in the vale. This land of song will still be singing when you come home again to Wales."*

Come and enjoy, we look forward to your visit.

Ruth Roberts (DP Swansea & Brecon) & Kay Warrington (PP Wales)

***On behalf of the members of Mothers' Union in the Province of Wales***

# General Meeting

The theme for this year will be **Celebrating Mothers' Union** - as we rejoice in the role our organisation has been able to play in the past, across so many lands and lives; we look then to the future, building on the experiences and programmes which make us who we are today, and celebrate the opportunities before us to serve and deliver.

Our programme will be released in due course.

## General Meeting Venue: Brangwyn Hall

Brangwyn Hall is located just minutes away from the beautiful sweep of Swansea Bay. It hosts events from small meetings to major conferences, from the intimate to the grand. The hall has excellent acoustics and regularly hosts internationally acclaimed orchestras and some of the biggest names in contemporary music – we are very excited to be at such a prestigious venue.

We have limited space this year and as such the fairest approach will be for all Dioceses to have equal opportunity to attend. Therefore we are allocating a set amount of tickets to each diocese, each allocation is based on the most recent number of members reported by the Diocese. Any tickets not required will be passed to Dioceses requesting more than their allocation on a first-come-first-served basis.

**The tickets are priced at £13.00 each.**

**To order your tickets you will need to contact your Diocese** who will then be able to make their booking with Mary Sumner House using the booking form that has been sent to them. This is due to the size of the venue and trying to allocate fair numbers per Diocese over large group bookings on a first come first serve basis.

### **Special Requirements - Accessibility**

There will be specific areas in the venue that are used for delegates with special requirements / access needs. **If you need accessible seating please make sure your diocese know at the point of booking.**

For those with hearing difficulties, there will be an induction hearing loop in the venue.

## Cloakroom & Left Luggage Facility

There is a small Left Luggage and Cloakroom facility at the venue where you will be able to leave any coats, suitcases and bags. **This facility will be free of charge.**

## Lunch & Refreshments

Tea and coffee will be available to purchase at multiple stations throughout the General Meeting venue from the moment the doors open (9.45am) to when they close (4.00pm).

There are **NO facilities on site to purchase your lunch** – therefore please either bring a packed lunch or make sure you are prepared to go and purchase something at lunchtime externally. We have limited space – we do hope to have some space allocated to sit and eat your lunch and you can also eat them at your seats. We are working on the issue and hope to have further seating options available on the time.

Victoria Park is right next to Brangwyn Hall so you may want to take your packed lunch and eat it in the park – weather permitting – or even on the sea front!

## Personal Data Protection

In line with the General Data Protection Regulations (GDPR) (due to be in effect from 25<sup>th</sup> May 2018) all delegates attending the General Meeting will be given the option to opt out of photographs being taken on the day. Those wishing not to be photographed will be given a marker to wear so photographers know they have opted-out. This marker will be made available from when doors open.

## Annual Services

**St Mary's Church** sits in the heart of the city of Swansea, and is the site for our annual service on Monday 17th September 2018. There has been a church on the site called St Mary's since around 1330, when it was founded by Henry De Gower, Bishop of St. David's. The church went through many rebuilds and restorations, with new

architectural styles replacing the previous ones. There was a very close call for the congregation in 1790, when the Nave collapsed on a Sunday morning! Thankfully, nobody had entered the building.

After a few more rebuilds and renovations, St Mary's was almost entirely demolished and then reconstructed in the 1890s. The fourteenth century chancel and tower with the eighteenth century nave were replaced by a unified early English gothic design by Sir Arthur Blomfield, an architect famous for his work on churches across the United Kingdom. Like much of Swansea, St. Mary's was heavily damaged in the Blitz bombings and was not fully repaired until the 1950s.

St Mary's today is the civic church for the city and county of Swansea and is open seven days a week offering a range of services for the city, these include

- educational modules for schools,
- acting as a venue for study groups and community organisations
- Public services
- Private devotions

The Church also has some stunning examples of contemporary art and stained glass. For more information about St. Mary's Church visit their website at [www.swanseastmary.co.uk](http://www.swanseastmary.co.uk)

# Travelling to St Mary's Church

St Mary's Square,  
Swansea  
SA1 3LP

St. Mary's Church in Swansea sits right in the heart of the city centre next to the castle. The square in which the church is located is called St. Mary's Square. The Church is roughly 10 minutes walk from the train station, 5 minutes walk from the bus station and 20 minutes walk away from Brangwyn Hall.

If you seek to get to St. Mary's Church by bus from Brangwyn Hall the best route is to walk south to the bus stop called The Slip on the A4067 road and take the Metro 4 bus which will go directly to St Mary's Church. An Alternative to this would be to take any of the buses going to the bus station from the Crown Court bus stop, and then walk the 5 minutes to St. Mary's Square. Buses on this route are the Unibus 8, the 2, 2B, 2C, 3A or 116.

## Angelicus Celtis

Angelicus Celtis choristers come from its parent children's choir, the Hywel Girls' Choir & Hywel Boy Singers, founded by John Hywel Williams. Angelicus Celtis was the brainchild of John and his wife Jean and son Jeremy. John and Jean had been leading children's choirs together as husband and wife for over 50 years and the whole family was excited with the idea of developing Angelicus Celtis from the ranks of the Hywel Girls' Choir & Hywel Boy Singers.

Having just enjoyed a standing ovation finale, John and Jean left the concert and within feet of the venue, they had a terrible car crash. John was badly injured but Jean was sadly killed. Despite his ongoing injuries, John fought back to be there for his choristers and make Angelicus Celtis happen - but Jean sadly never heard her beloved Angelicus Celtis choristers perform.

John Hywel's courage and selfless commitment despite personal tragedy and personal injury is a great inspiration to all, especially his beloved choristers. There are no auditions for Angelicus Celtis; the only requirement is a love of singing and the willingness to learn. We are absolutely thrilled that they are joining us for an evening of beautiful music.

## Morryston RFC Male Choir

Morryston RFC Male Choir is based in the town of Morryston, a suburb of Swansea in South Wales. Formed in 1979 by members of the local rugby club, it has progressed to be one of the foremost Welsh choirs. The Choir has undertaken several European tours, including the Lorient InterCeltique Festival, when we represented Wales. Their repertoire includes religious, traditional Welsh, musical show, and some foreign language pieces.

## Hywel Girls' Choir & Hywel Boy Singers

Born from the baton of John Hywel Williams MBE, the Hywel Girls' Choir & Hywel Boy Singers have become an institution in choral singing. With an unequalled heritage of teaching thousands of young voices, they have enjoyed the extraordinary achievement of over 200 TV and radio broadcasts spanning 120 countries globally, 25 international concert tours, performing at world leading

concert halls to royalty, world leaders and the Pope – justifying their reputation – in the words of Prime Minister John Major – as Wales’ Young Ambassadors of Song.
