

HINTS AND TIPS

for a successful Jumble Sale

Jumble sales are fun and effective fundraising events that are popular for all parts of the community.

Collect your treasures

Look through your belongings and decide what you don't need any longer. Ask friends and family if they would like to contribute too. Sort through the items and keep it organised, the more organised it looks, the more you sell!

Location

You can host your jumble sale pretty much anywhere, with permission, such as at your local Mothers' Union branch, church or maybe even join in at a local village fete, but be mindful of the weather for outside events. An easy option would be to utilize your garage or garden.

Publicise

Once you have your items and location, decide on the date and time and then get the word out. Print out [our pre-made posters](#) or make your own with the date, time, and location of your jumble sale.

Don't forget about asking local shops if you can put up a poster, advertise on social media, and the most important, word of mouth!

Have a tea and biscuit stand

Sell cups of tea and coffee and biscuits to thirsty shoppers to bump up your takings. They might hang around longer and tip you as well!

Pricing

Don't overthink it –keep it simple! Have clear price points that suit your community. Make sure to have plenty of change.
