

Mothers' Union Harvest

Help Mothers' Union raise money this Autumn for our Harvest Appeal, supporting refugees in Africa. Last year we were successful in raising over £30,000 to help our South Sudan coordinator Harriet 'Mama' Baka deliver food and supplies to those hardest hit by war and conflict.

Mama Baka now wants to build on this work and train refugees using our EAGLE programme - which helps communities address core issues such as illiteracy and poverty and results in lasting & community-led change.

Please Support us today at
