

Thank you for joining us at our Jubilee Summer of Hope event!

With your generosity, you have helped raise

£

for vital Mothers' Union projects around the world.

Everyone at Mothers' Union would like to say a huge thank you for your energy and support. It is friends like you who stand behind the families and communities we support. In countries all around the world – you have made a real difference.

You are truly amazing.

Mothers' Union is a women-led Christian movement, founded in 1876.

Today our four million members across the world help communities change their lives for the better by working to combat violence, poverty, and injustice worldwide, including in hard-to-reach communities. We work with people facing everyday challenges, as well as in times of crisis, to help them overcome inequality and transform their lives.
