# Grow our Movement - Join us, Join in!

**For 150 years, we've put faith into action. Active in 84 countries our impact is local and global. Together, we support 2 million people every year.**

But we will not stop until we live in a world free from violence, poverty and injustice, where everyone can thrive. That's why we need your help to grow our community and transform more lives.

**By taking on this challenge, your diocese will:**

- Raise the profile of Mothers' Union
- Strengthen our movement for future generations
- Support more families, women facing gender-based violence and communities in poverty

## How it works

- Each diocese aims to recruit 150+ brand new members
- Must be individuals with no prior connection to Mothers' Union
- Bonus prize for the diocese with the highest proportion of new members aged 18–65
