

Imagine if you couldn't read this sentence...

For many women in the Democratic Republic of Congo, reading is a daily challenge.

Mothers' Union is helping women gain life changing literacy, numeracy and farming skills to support their families and strengthen their communities.

This Christmas you can help us to reach more women and develop these vital skills.

We have partnered with The Big Give to double the difference your donation makes this Christmas

Between 1-8 December, every £1 you give will be matched. This will double the value of your donation at no cost to you. This opportunity will be available until 8 December, or until the match funding goal has been reached, whichever comes first.

Registered with FUNDRAISING REGULATOR

Double your impact and give the gift of literacy this Christmas

£20 → £40
could purchase key educational supplies including chalk and blackboards

£50 → £100
could buy new farming tools to help with agricultural training

£100 → £200
could pay for facilitators to deliver life-changing literacy, numeracy and skills training

You can DOUBLE your donation
between 1 and 8 December 2026
